

INTERNAL FLAT-RATE GUIDE

Detailed estimating prices and standard labor allowances

CONFIDENTIAL - INTERNAL USE ONLY

Document IR-PRICE-301 | Revision 3.0 | Effective August 2026

Primary service area: 40178 and locations within a 60-mile radius

REVISION 4.0 PRICING FOUNDATION

SERVICE / CHARGE	BILLING UNIT	PRICE / RATE
Mobile service labor	Per hour	\$105 / hr
Diagnostic / inspection minimum	Minimum	\$65
Electrical / advanced diagnostic	Per hour	\$105 / hr
Off-site / bench repair - by arrangement	Per hour	\$85 / hr
Mobile service call / dispatch	Per visit	\$65
Travel mileage	Per mile	\$1.75 / mi
Equipment transport - when required	Each way	\$85 each way
Trailer / heavy transport surcharge	Per trip	\$125 / trip
Basic engine service - small equipment	Starting at	\$95 + parts
Full engine service - riding / commercial	Starting at	\$175 + parts
Hydraulic service / inspection	Starting at	\$185 + parts
Equipment inspection / condition report	Starting at	\$125

Parts / materials markup	Shop supplies	Storage fee	Minimum invoice
25%	5% / \$25 max	\$15 / day	\$65

Iron Ridge is a mobile-first service business. Task prices are built primarily from the \$105 mobile labor rate. The \$65 dispatch fee and \$1.75 per traveled mile are added to the work order unless a written package states otherwise. Parts, tax, disposal, specialty supplies and additional authorized work may be extra.

INTERNAL PRICING RULES

Rule	Standard
Mobile-first billing	\$65 dispatch plus \$1.75 per traveled mile, then task labor or \$105/hour. State all three elements clearly on estimates.
Diagnostic credit	The \$65 minimum is credited to approved repair labor for the same complaint; it remains earned if declined or not economical to repair.
Bench work exception	\$85/hour applies only when Iron Ridge and the customer agree that the unit must be transported for off-site bench work.
Parts pricing	Add 25% to landed parts/material cost unless a lower defensible retail price is required.
Shop supplies	5% of labor, capped at \$25. Major fluids, tires, batteries, freight and outside services are separate.
Estimate change	Pause and reauthorize if the expected invoice will exceed approval by the greater of \$25 or 10%.
Unusual condition	Corrosion, heavy contamination, modifications, prior disassembly, inaccessible fasteners and biohazards are additional at the applicable rate.
Warranty	90 days on Iron Ridge workmanship; parts carry supplier/manufacturer coverage.

WALK-BEHIND MOWERS

Service / task	Std. hrs	Flat labor	Scope / estimator note
Annual service / tune-up	1.00	\$95	Oil, plug, air filter inspection/service, blade sharpen/balance, controls and test; parts extra.
Oil change only	0.40	\$45	Oil and filter extra where equipped.
Blade sharpen and balance - removed blade	0.25	\$30	Per blade.
Blade sharpen and balance - installed	0.40	\$45	Includes remove/install; per blade.
Blade replacement	0.35	\$40	Labor; blade extra.
Carburetor clean / service	1.00	\$105	Bench clean, passages, setup and test; kit/gaskets extra.
Carburetor replacement	0.75	\$80	Typical accessible carburetor; part extra.
Recoil starter rope replacement	0.60	\$65	Rope extra; spring/housing damage additional.
Drive belt replacement - self-propelled	0.75	\$80	Belt extra.
Drive cable replacement	0.60	\$65	Cable extra.
Wheel / height adjuster replacement	0.35	\$40	Per position; parts extra.
Deck cleaning / grass removal	0.50	\$55	Heavy buildup may require additional time.
Engine replacement	2.00	\$210	Typical direct replacement; engine and incidentals extra.

RIDING MOWERS & LAWN TRACTORS

Service / task	Std. hrs	Flat labor	Scope / estimator note
Annual service / tune-up	2.00	\$175	Engine service, plugs, filters, blades sharpened, deck/controls/safety check; parts extra.
Oil and filter service	0.60	\$65	Oil/filter extra.
Blade sharpen/balance - deck installed	0.45	\$50	Per blade.
Deck removal and installation	1.00	\$105	Typical residential tractor deck.
Deck belt replacement	1.00	\$105	Belt extra; seized hardware additional.
Drive belt replacement	1.75	\$185	Typical unit; belt extra.
Spindle assembly replacement	0.90	\$95	Per spindle; deck removal additional if required.
Idler pulley replacement	0.65	\$70	Per pulley; part extra.
Deck level / cutting setup	0.75	\$80	Includes tire pressure correction and test.
PTO clutch replacement	1.25	\$135	Clutch extra; wiring repair additional.
Starter replacement	1.00	\$105	Part extra.
Battery / charging-system test	0.50	\$55	Diagnostic only; credited when related repair approved.
Carburetor clean / overhaul	1.50	\$160	Kit/gaskets extra.
Valve adjustment - single cylinder	1.00	\$105	Gaskets extra.
Valve adjustment - V-twin	1.50	\$160	Gaskets extra.
Head gasket - single cylinder OHV	3.00	\$315	Parts, machining and broken fasteners extra.
Engine replacement	4.00	\$420	Typical compatible replacement; fabrication/wiring changes extra.
Steering repair / bushing service	1.50	\$160	Starting labor; parts and extensive wear extra.
Transmission / transaxle replacement	3.50	\$370	Typical labor; component and fluid extra.

ZERO-TURN & STAND-ON MOWERS

Service / task	Std. hrs	Flat labor	Scope / estimator note
Annual service - residential	2.00	\$175	Engine service, filters, plugs, blades, deck, safety and operational checks; parts extra.
Annual service - commercial	3.00	\$315	Expanded inspection, lubrication and service; parts extra.
Oil and filter service	0.65	\$70	Oil/filter extra.
Blade sharpen/balance - installed	0.50	\$55	Per blade.
Deck removal and installation	1.25	\$135	Typical deck.
Deck belt replacement	1.00	\$105	Belt extra.
Hydro drive belt replacement	1.50	\$160	Belt extra.
Spindle assembly replacement	0.90	\$95	Per spindle; parts extra.
Deck level / pitch setup	1.00	\$105	Includes tire pressure correction.
PTO clutch replacement	1.25	\$135	Part extra.
Hydrostatic fluid and filter service	1.50	\$160	Fluid/filter extra; purge included.
Single hydro pump / wheel motor replacement	2.50	\$265	Component, fluid and contamination cleanup extra.
Caster bearing / wheel service	0.75	\$80	Per corner; parts extra.
Control linkage tracking adjustment	0.75	\$80	Does not correct worn hydraulic components.
ROPS / seat / safety system repair	1.00	\$105	Starting labor; parts extra.
Engine replacement	5.00	\$525	Typical compatible replacement; exhaust/adaptation extra.

CHAINSaws, POLE Saws & CUT-OFF Saws

Service / task	Std. hrs	Flat labor	Scope / estimator note
Annual service / tune-up	1.00	\$95	Plug, filters, fuel system inspection, clean and tune; parts extra.
Chain sharpen - off saw	0.20	\$25	Standard chain; damaged chain may require replacement.
Chain sharpen - installed	0.30	\$35	Includes tension and lubrication check.
Bar dress / rail service	0.35	\$40	Bar removal and basic dressing.
Chain and bar replacement	0.35	\$40	Parts extra.
Carburetor clean / rebuild	1.00	\$105	Kit extra.
Carburetor replacement and tune	0.75	\$80	Part extra.
Fuel line / filter / primer service	0.75	\$80	Parts extra.
Recoil starter service	0.75	\$80	Parts extra.
Clutch / sprocket replacement	1.00	\$105	Parts extra.
Oil pump / oiler repair	1.25	\$135	Starting labor; parts extra.
Muffler / spark arrestor service	0.40	\$45	Replacement parts extra.
Cylinder / piston top-end replacement	2.50	\$265	Parts extra; crankcase condition must be serviceable.

TRIMMERS, EDGERS, BLOWERS & HEDGE TRIMMERS

Service / task	Std. hrs	Flat labor	Scope / estimator note
Annual service / tune-up	1.00	\$95	Plug, filters, fuel system inspection, clean and tune; parts extra.
Carburetor clean / rebuild	0.85	\$90	Kit extra.
Carburetor replacement and tune	0.65	\$70	Part extra.
Fuel line / filter / primer service	0.65	\$70	Parts extra.
Recoil rope replacement	0.60	\$65	Parts extra.
Trimmer head replacement	0.35	\$40	Head extra.
Drive shaft / flex cable replacement	0.85	\$90	Part extra.
Clutch replacement	1.00	\$105	Part extra.
Gearbox clean / grease service	0.40	\$45	Grease included.
Blower tube / control repair	0.40	\$45	Parts extra.
Hedge-trimmer blade clean / adjust	0.60	\$65	Sharpening damaged teeth may be quoted separately.
Cylinder / piston top-end replacement	2.00	\$210	Parts extra; repair-value review required.

PRESSURE WASHERS

Service / task	Std. hrs	Flat labor	Scope / estimator note
Annual service / tune-up - cold water	1.25	\$135	Engine/motor, pump oil where applicable, inlet, unloader and output test; parts extra.
Annual service - belt drive / commercial	2.00	\$210	Expanded drive, pump and output inspection; parts extra.
Engine oil service	0.40	\$45	Oil/filter extra.
Pump oil service	0.50	\$55	Pump oil extra.
Carburetor clean / rebuild	1.25	\$135	Kit extra.
Carburetor replacement	0.90	\$95	Part extra.
Unloader valve clean / adjust	1.00	\$105	Parts extra; pressure/flow verification included.
Unloader valve replacement	1.25	\$135	Part extra.
Pump seal / packing service	2.50	\$265	Typical axial/triplex pump; kit extra.
Pump replacement - direct drive	1.25	\$135	Pump and fittings extra.
Pump replacement - belt drive	2.00	\$210	Pump, belts, oil and alignment materials extra.
Thermal relief valve replacement	0.50	\$55	Part extra.
Chemical injector service	0.50	\$55	Parts extra.
Hose / gun / wand leak repair	0.40	\$45	Per assembly; parts extra.
Output performance test	0.75	\$80	Pressure, nozzle sizing and functional flow check.
Freeze-damage assessment	1.00	\$105	Diagnostic only; teardown beyond first hour requires approval.

GENERATORS & INVERTER GENERATORS

Service / task	Std. hrs	Flat labor	Scope / estimator note
Annual service / tune-up - portable	1.50	\$160	Engine service, fuel system, outlets, voltage/frequency and load check; parts extra.
Annual service - inverter / enclosed	2.00	\$210	Additional access and electronic checks; parts extra.
Oil change only	0.45	\$50	Oil/filter extra.
Carburetor clean / rebuild	1.50	\$160	Kit extra.
Carburetor replacement	1.00	\$105	Part extra.
Fuel tank drain / contamination cleanup	1.00	\$105	Disposal and parts extra.
Valve adjustment	1.25	\$135	Gaskets extra.
Starter / recoil repair	1.00	\$105	Parts extra.
Battery / charging diagnosis	0.75	\$80	Battery/parts extra.
Voltage / frequency / AVR diagnosis	1.50	\$160	Initial advanced electrical diagnosis.
AVR / capacitor replacement	1.25	\$135	Part extra; output verification included.
Load-bank performance test	1.00	\$105	Up to one hour; fuel extra.
Rotor / stator repair or replacement	4.00	\$420	Starting labor; quoted after teardown.
Electric-start conversion / repair	2.00	\$210	Starting labor; parts extra.

TILLERS, CULTIVATORS, AERATORS & DETHATCHERS

Service / task	Std. hrs	Flat labor	Scope / estimator note
Annual service / tune-up	1.25	\$135	Engine service, drive, controls and working attachment inspection; parts extra.
Carburetor clean / rebuild	1.25	\$135	Kit extra.
Drive belt replacement	1.00	\$105	Belt extra.
Tine / blade replacement	1.00	\$105	Typical set; parts extra.
Cable / control replacement	0.75	\$80	Part extra.
Gearcase oil service	0.75	\$80	Oil extra.
Axle seal replacement	2.00	\$210	Per side; parts and oil extra.
Gearcase / transmission repair	3.00	\$315	Starting labor; teardown quote required.
Engine replacement	2.50	\$265	Engine and adaptation items extra.

LOG SPLITTERS, CHIPPER/SHREDDERS & STUMP GRINDERS

Service / task	Std. hrs	Flat labor	Scope / estimator note
Annual service - log splitter	1.50	\$160	Engine, hydraulic fluid condition, hoses, controls, structure and function; parts extra.
Annual service - chipper / stump grinder	2.00	\$210	Engine, drive, cutters, guards and operational inspection; parts extra.
Hydraulic fluid and filter service	1.25	\$135	Fluid/filter extra.
Hydraulic hose replacement	0.75	\$80	Per hose; hose and fluid extra.
Control valve replacement	1.50	\$160	Valve/fluid extra.
Hydraulic cylinder reseal	3.00	\$315	Bench labor; seal kit and machining extra.
Hydraulic pump replacement	2.00	\$210	Pump, coupler and fluid extra.
Wedge / beam adjustment	0.75	\$80	Repair welding or machining additional.
Chipper blade remove / sharpen / install	2.00	\$210	Standard accessible set; damaged blades extra.
Stump-grinder teeth rotate / replace	1.50	\$160	Labor; teeth/hardware extra.
Drive belt replacement	1.25	\$135	Belt extra.
Engine replacement	3.00	\$315	Engine and adaptation items extra.

WATER PUMPS, TRASH PUMPS & SPRAY EQUIPMENT

Service / task	Std. hrs	Flat labor	Scope / estimator note
Annual service / tune-up	1.25	\$135	Engine, pump housing, seals, priming and output test; parts extra.
Carburetor clean / rebuild	1.25	\$135	Kit extra.
Pump housing cleanout	1.00	\$105	Normal debris; hazardous material not accepted.
Impeller / volute service	1.50	\$160	Parts extra.
Mechanical seal replacement	1.75	\$185	Seal/parts extra.
Priming / suction leak diagnosis	1.00	\$105	Hose and fittings extra.
Sprayer pump / diaphragm service	1.50	\$160	Kit and chemical-safe parts extra.
Pressure regulator / valve replacement	0.75	\$80	Part extra.
Engine replacement	2.50	\$265	Engine and adaptation items extra.

SNOWBLOWERS & SEASONAL EQUIPMENT

Service / task	Std. hrs	Flat labor	Scope / estimator note
Annual service - single stage	1.00	\$105	Engine, paddles/auger, belt, controls and test; parts extra.
Annual service - two stage	1.50	\$160	Engine, belts, auger, drive, skid shoes and test; parts extra.
Carburetor clean / rebuild	1.25	\$135	Kit extra.
Auger belt replacement	1.00	\$105	Belt extra.
Drive belt replacement	1.25	\$135	Belt extra.
Shear-pin replacement	0.25	\$30	Each; pin extra.
Paddle / scraper-bar replacement	1.00	\$105	Parts extra.
Friction disc replacement	1.50	\$160	Part extra.
Auger gearbox repair	3.00	\$315	Starting labor; parts extra.
Cable / chute control repair	0.75	\$80	Parts extra.
End-of-season storage service	0.75	\$80	Fuel system preservation and corrosion-prevention check; materials extra.

BATTERY OUTDOOR POWER EQUIPMENT

Service / task	Std. hrs	Flat labor	Scope / estimator note
Battery / charger system diagnostic	0.50	\$65	Bench test; proprietary software or sealed electronics may limit service.
Walk-behind electric mower annual service	0.75	\$80	Blade, deck, controls, battery interface and operational check.
Electric zero-turn / rider inspection	1.50	\$160	Low-voltage mechanical and visible electrical inspection only unless manufacturer support is available.
Blade sharpen/balance - installed	0.40	\$45	Per blade.
Switch / wiring repair	1.00	\$105	Starting labor; parts extra.
Drive motor / controller replacement	2.00	\$210	Starting labor; proprietary programming not included.
Battery terminal / contact service	0.40	\$45	Cleaning and protection; damaged components extra.
Cord / plug / GFCI replacement	0.75	\$80	Parts extra.

ATV, UTV, GOLF CART & LIGHT UTILITY EQUIPMENT

Service / task	Std. hrs	Flat labor	Scope / estimator note
Initial diagnostic	1.50	\$65	Credited to approved repair labor; excludes teardown.
Advanced electrical / drivability diagnostic	2.00	\$210	Up to two hours at specialized rate.
Engine oil and filter service	0.75	\$80	Oil/filter extra.
Full annual maintenance inspection	2.50	\$265	Fluids, filters, chassis, brakes, steering, tires and operation; parts extra.
Carburetor clean / rebuild	2.00	\$210	Typical single carburetor; kit extra.
Drive belt replacement - CVT	1.50	\$160	Belt extra.
Brake service - one axle	2.00	\$210	Parts/fluid extra.
Wheel bearing / hub replacement	1.50	\$160	Per corner; part extra.
CV axle replacement	1.75	\$185	Per axle; part/fluid extra.
Battery / charging system repair	1.00	\$105	Starting specialized labor; parts extra.
Golf-cart battery service / cable clean	1.25	\$135	Water, corrosion service and test; cables/batteries extra.
Golf-cart controller / solenoid diagnosis	1.50	\$160	Specialized electrical diagnostic.
Pickup / delivery required	-	See note	Transport zone fee applies; customer drop-off by appointment where accepted.

MOBILE SERVICE, TRAVEL & TRANSPORT

Charge	Billing unit	Rate
Mobile service call / dispatch	Per visit	\$65
Travel mileage	Per mile	\$1.75
Mobile labor	Per hour	\$105
Equipment transport	Each way	\$85
Trailer / heavy transport surcharge	Per trip	\$125
Off-site / bench labor	Per hour	\$85
Diagnostic / inspection minimum	Per unit	\$65

Standard workflow: Iron Ridge travels to the equipment, performs diagnosis and service on-site, and bills dispatch, mileage and authorized mobile labor. Equipment is transported off-site only when the repair cannot reasonably be completed in the field and the customer agrees in advance.

MARINE - WINTERIZATION & SEASONAL SERVICE

Service / task	Std. hrs	Flat labor	Scope / estimator note
2-stroke outboard winterization	1.25	\$145	Fuel treatment, storage protection, cooling/drain procedure and basic inspection; materials extra.
4-stroke outboard winterization - up to 60 HP	1.50	\$165	Seasonal winterization and freeze-protection procedure; materials extra.
4-stroke outboard winterization - 61-150 HP	1.75	\$185	Mid-size outboard seasonal winterization; materials extra.
4-stroke outboard winterization - 151+ HP	2.00	\$210	Large outboard seasonal winterization; materials extra.
Full-service 4-stroke - up to 60 HP	2.50	\$265	Winterization plus engine oil/filter, gearcase lube and lubrication; parts/materials extra.
Full-service 4-stroke - 61-150 HP	2.90	\$305	Winterization plus annual fluid service; parts/materials extra.
Full-service 4-stroke - 151+ HP	3.30	\$345	Winterization plus annual fluid service; parts/materials extra.
Gas sterndrive / I/O winterization - basic	2.60	\$275	Fuel stabilization and manufacturer-specific engine/cooling winterization; materials extra.
Gas sterndrive / I/O - full service	3.75	\$395	Basic winterization plus oil/filter, drive gear lube and lubrication; parts/materials extra.
Gas inboard / direct drive - basic	2.80	\$295	Engine/cooling freeze protection, fuel treatment and basic drivetrain inspection.
Gas inboard / V-drive - full service	4.00	\$425	Winterization plus engine oil/filter and applicable drivetrain fluid service.
Diesel marine winterization	-	Quote	Quote by manufacturer, engine count and cooling configuration.

MARINE - SYSTEMS, COMMISSIONING & DIAGNOSTICS

Service / task	Std. hrs	Flat labor	Scope / estimator note
Freshwater system winterization - basic	0.80	\$85	Tank, pump and basic faucet circuit; antifreeze extra.
Freshwater system - complex	1.30-1.90	\$135-200	Water heater, multiple fixtures or larger system; materials extra.
Head / toilet system winterization	0.55	\$60	Per head; holding tank must be ready; materials extra.
Livewell / washdown system	0.40	\$45	Per independent system; materials extra.
Ballast tank / circuit	0.55	\$60	Per tank/circuit; manufacturer procedure verified.
Auxiliary gasoline generator winterization	1.00	\$110	Seasonal engine/cooling protection; materials extra.
Outboard spring commissioning	1.25	\$135	Battery/fluid checks, cooling flow, controls, start/run and leak check.
Sterndrive spring commissioning	1.55	\$165	Recommission systems; verify cooling, drive and controls.
Inboard / V-drive spring commissioning	1.65	\$175	Engine/cooling, drivetrain, battery and operational checks.
Basic boat condition inspection	1.20	\$125	Visual and basic operational condition check.
Comprehensive boat inspection	2.15	\$225	Engine, fuel, cooling, electrical, propulsion, hull and onboard systems.
Boat + trailer comprehensive inspection	2.60	\$275	Comprehensive boat inspection plus trailer condition check.
Marine diagnostic - first hour	1.00	\$125	No-start, electrical, fuel, cooling and performance diagnosis.
Additional marine diagnostic labor	1.00	\$125/hr	After first diagnostic hour with customer approval.
Standard marine mechanical labor	1.00	\$115/hr	General marine mechanical service and repair.
Impeller / water-pump service	-	Quote	Varies substantially by engine/drive and access.

Marine mobile billing: \$65 mobile service call plus listed service/labor and applicable parts/materials. Marine task prices in this section do not include the \$65 service call.

SKID STEERS / COMPACT TRACK LOADERS

Service / task	Std. hrs	Flat labor	Scope / estimator note
Initial diagnostic / condition assessment	1.00	\$105	Initial mechanical/hydraulic/electrical diagnosis; teardown additional.
Annual / 250-hour maintenance inspection	2.50	\$265	Engine, fluids, filters, cooling, hydraulics, drive, safety and operational inspection; parts extra.
Engine oil and filter service	0.90	\$95	Oil/filter extra; access-dependent.
Fuel filter / water separator service	0.75	\$80	Filters and fuel disposal extra.
Hydraulic fluid and filter service	2.00	\$210	Fluid/filters extra; contamination cleanup additional.
Hydraulic hose replacement - accessible	1.00	\$105	Per hose; hose, fluid and fittings extra.
Hydraulic cylinder remove/install	2.50	\$265	Per cylinder; reseal/machine work separate.
Hydraulic cylinder reseal - bench	3.00	\$315	Seal kit and machining extra.
Auxiliary hydraulic coupler service	1.00	\$105	Cleaning/diagnosis or replacement labor; parts extra.
Drive chain / final-drive inspection	1.50	\$160	Inspection/adjustment; oil, chains and sprockets extra.
Final drive motor replacement - one side	4.00	\$420	Starting labor; component, fluid and contamination cleanup extra.
Track tension / undercarriage adjustment	1.00	\$105	Adjustment only; worn components additional.
Rubber track replacement - one side	2.50	\$265	Typical field replacement; track extra; seized hardware additional.
Wheel / tire remove-install - wheeled unit	0.75	\$80	Per wheel; tire service/parts extra.
Cooling system clean / radiator package service	1.50	\$160	External cleaning and inspection; severe plugging may be additional.
Starter / alternator replacement	2.00	\$210	Typical accessible installation; part extra.
Electrical / CAN / sensor diagnosis	-	\$125/hr	Advanced diagnosis; proprietary software may limit service.
Attachment coupler / latch repair	1.50	\$160	Starting labor; welding/parts additional.

Estimator note: Heavy contamination, seized pins/fasteners, field conditions, specialty lifting, proprietary diagnostics and contamination remediation are additional. Major engine, pump, valve-body and hydrostatic teardown should be quoted after diagnosis.

MINI EXCAVATORS

Service / task	Std. hrs	Flat labor	Scope / estimator note
Initial diagnostic / condition assessment	1.00	\$105	Initial mechanical/hydraulic/electrical diagnosis; teardown additional.
Annual / 250-hour maintenance inspection	2.50	\$265	Engine, filters, cooling, hydraulics, swing, travel, undercarriage and safety checks; parts extra.
Engine oil and filter service	0.90	\$95	Oil/filter extra.
Fuel filter / water separator service	0.75	\$80	Filters and disposal extra.
Hydraulic fluid and filter service	2.25	\$240	Fluid/filters extra; contamination cleanup additional.
Hydraulic hose replacement - accessible	1.00	\$105	Per hose; hose, fittings and fluid extra.
Boom / stick / bucket cylinder remove-install	2.50	\$265	Per cylinder; reseal/machining separate.
Hydraulic cylinder reseal - bench	3.00	\$315	Seal kit and machining extra.
Auxiliary hydraulic coupler service	1.00	\$105	Diagnosis/service; parts extra.
Track tension adjustment	0.75	\$80	Per machine; worn adjuster/undercarriage parts extra.
Rubber track replacement - one side	2.50	\$265	Typical field replacement; track extra; seized hardware additional.
Bottom roller replacement	1.50	\$160	Per roller; part extra.
Idler / tensioner replacement	3.00	\$315	Per side starting labor; parts extra.
Travel motor / final drive replacement	4.00	\$420	Per side starting labor; component/fluid extra.
Swing / slew system inspection	1.50	\$160	Inspection and diagnosis; teardown quoted separately.
Bucket teeth / cutting edge replacement	1.00	\$105	Typical bolt-on service; parts and seized hardware extra.
Cooling system clean / radiator package service	1.50	\$160	External cleaning and inspection; severe plugging may be additional.
Starter / alternator replacement	2.00	\$210	Typical accessible installation; part extra.
Electrical / CAN / sensor diagnosis	-	\$125/hr	Advanced diagnosis; proprietary software may limit service.

Estimator note: Heavy contamination, seized pins/fasteners, field conditions, specialty lifting, proprietary diagnostics and hydraulic contamination remediation are additional. Major engine, pump, control-valve, swing and final-drive teardown should be quoted after diagnosis.

MOBILE SERVICE NOTE

Use the existing Iron Ridge mobile-first billing foundation: \$65 dispatch/service call, applicable mileage, then flat-rate task labor or the appropriate hourly rate. Parts, tax, fluids, disposal, freight, outside services and authorized additional work remain extra unless a written package states otherwise.

COMPACT & UTILITY TRACTORS

Service / task	Std. hrs	Flat labor	Scope / estimator note
Initial diagnostic / condition assessment	1.00	\$105	Mechanical, fuel, cooling, starting/charging or basic hydraulic diagnosis; teardown additional.
Annual / 250-hour maintenance inspection	2.50	\$265	Engine, filters, cooling, hydraulic/transmission, steering, PTO, 3-point, tires and safety inspection; parts extra.
Engine oil & filter service	0.90	\$95	Oil/filter extra; larger oil capacities quoted accordingly.
Fuel filter / water separator service	0.75	\$80	Filters and disposal extra.
Air filter service	0.50	\$55	Element extra; housing/pre-cleaner inspection included.
Hydraulic / transmission fluid & filter service	2.50	\$265	Fluid/filters extra; capacity and access can materially affect price.
Cooling-system service	1.50	\$160	Drain/refill, hose/belt inspection; coolant extra.
Battery / starting / charging diagnosis	1.00	\$105	Basic electrical diagnosis; advanced electrical billed diagnostic rate.
Starter / alternator replacement	2.00	\$210	Typical accessible installation; part extra.
3-point hitch diagnosis / adjustment	1.25	\$135	Linkage, lift response and visible hydraulic issues; internal hydraulic repair quoted.
PTO operational diagnosis	1.50	\$160	External controls/electrical/hydraulic checks; internal PTO repair quoted.
Steering / front axle inspection	1.25	\$135	Steering linkage, joints, leaks and wheel-end condition.
Wheel bearing / hub service	2.00	\$210	Per axle end starting labor; bearings/seals extra.
Loader hydraulic hose replacement - accessible	1.00	\$105	Per hose; hose/fittings/fluid extra.
Loader cylinder remove/install	2.50	\$265	Per cylinder; reseal/machining separate.
Advanced electrical / sensor diagnosis	-	\$125/hr	Electrical, controller and sensor diagnosis; proprietary software may limit service.

Estimator note: Recommended advertised scope: compact and utility tractors. Major internal engine, transmission, hydrostatic and injection-pump rebuilds should be quoted/referred after diagnosis.

TRACTOR IMPLEMENTS & PTO ATTACHMENTS

Service / task	Std. hrs	Flat labor	Scope / estimator note
Implement inspection / condition assessment	0.75	\$80	PTO, gearbox, driveline, bearings, blades/tines, frame and guards.
Rotary cutter / bush hog annual service	1.50	\$160	Gearbox oil check/service, driveline, blades, stump jumper, guards and hardware; parts extra.
Finish mower annual service	1.50	\$160	Gearbox, belts, pulleys, spindles, blades and lubrication.
Tiller annual service	1.50	\$160	Gearbox, chain/drive, tines, seals and lubrication.
Post-hole auger service	1.00	\$105	Gearbox, PTO shaft, auger, cutting edges and hardware.
PTO shaft / U-joint service	1.00	\$105	Inspect/lube or remove/install; shaft/U-joints extra.
PTO shaft replacement	1.00	\$105	Fitment and setup; shaft extra.
Slip clutch service / adjustment	1.00	\$105	Free, inspect and adjust; clutch parts extra.
Gearbox oil / seal inspection	0.75	\$80	Fluid extra; seal replacement quoted by access.
Gearbox remove/install	2.50	\$265	Starting labor; gearbox rebuild/replacement separate.
Blade / tine replacement	1.25	\$135	Typical implement; parts and seized hardware extra.
Spindle / bearing replacement	1.50	\$160	Per spindle/bearing assembly; parts extra.
Hydraulic hose replacement - accessible	1.00	\$105	Per hose; hose/fittings/fluid extra.
Hydraulic cylinder remove/install	2.00	\$210	Per cylinder; reseal separate.
Welding / structural repair	-	Quote	Quote after inspection; safety-critical or heavily damaged frames may be referred out.

Estimator note: Includes rotary cutters, finish mowers, tillers, post-hole augers and similar property-maintenance implements. Unusual agricultural implements remain quote-only.

CONCRETE & SMALL CONSTRUCTION EQUIPMENT

Service / task	Std. hrs	Flat labor	Scope / estimator note
Plate compactor inspection / diagnostic	0.75	\$80	Engine, belt, exciter, mounts and controls.
Plate compactor annual service	1.00	\$105	Engine service inspection, belt/exciter check and hardware; parts/fluids extra.
Jumping-jack rammer inspection / diagnostic	0.75	\$80	Engine, clutch, bellows, spring/ramming system and controls.
Jumping-jack rammer annual service	1.00	\$105	Engine and ramming-system inspection/service; parts extra.
Concrete saw diagnostic	1.00	\$105	Engine, clutch, belt, arbor, guards and water system.
Concrete saw service / tune-up	1.25	\$135	Engine service plus belt/arbor/guard inspection; blade extra.
Power trowel diagnostic	1.00	\$105	Engine, clutch, gearbox, pitch controls and safety switch.
Power trowel annual service	1.50	\$160	Engine, gearbox, clutch, blades and control inspection; parts extra.
Concrete mixer diagnostic	1.00	\$105	Engine/motor, drive, bearings, drum and controls.
Concrete mixer service	1.50	\$160	Drive, bearings, lubrication and engine service inspection.
Screed / small finishing equipment service	1.00	\$105	Engine, mounts, controls and vibration system.
Small trencher / powered attachment diagnostic	1.25	\$135	Engine/hydraulic/drive inspection; major hydraulic teardown quoted.
Engine replacement - small construction equipment	3.00	\$315	Typical swap; engine, freight and fabrication extra.
Belt / clutch replacement	1.50	\$160	Typical accessible unit; parts extra.
Bearing / arbor / drive repair	2.00	\$210	Starting labor; parts and seized hardware extra.

Estimator note: Includes plate compactors, rammers, concrete saws, power trowels, mixers, screeds and similar contractor equipment. Specialty electronics and major hydraulic work remain quote-only.

EQUIPMENT & BOAT TRAILERS

Service / task	Std. hrs	Flat labor	Scope / estimator note
Trailer safety / condition inspection	0.75	\$80	Coupler, chains, frame, tires, hubs, lights, jack and tie-downs.
Boat trailer inspection	1.00	\$105	Adds bunks/rollers, winch, bow stop and marine corrosion checks.
Wheel bearing clean / inspect / repack	1.00	\$105	Per axle; seals/grease extra.
Hub / bearing replacement	1.25	\$135	Per hub; hub/bearings/seals extra.
Bearing protector / grease cap service	0.50	\$55	Per axle; parts extra.
Trailer brake inspection / adjustment	1.00	\$105	Per axle; parts extra.
Electric brake assembly replacement	1.25	\$135	Per axle; brake assemblies/wiring extra.
Hydraulic surge brake diagnosis	1.25	\$135	Actuator, lines, brakes and visible leak diagnosis.
Trailer light / wiring diagnosis	1.00	\$105	Basic circuit diagnosis; rewiring quoted by condition.
LED light replacement	0.75	\$80	Typical pair/individual repair; lights/wiring extra.
7-way / 4-way connector replacement	0.75	\$80	Connector and wiring materials extra.
Jack replacement	0.75	\$80	Bolt-on typical; jack extra.
Coupler replacement	1.25	\$135	Bolt-on typical; welding/fabrication extra.
Winch / strap replacement	0.75	\$80	Boat/equipment trailer; parts extra.
Bunk / roller replacement	1.50	\$160	Starting labor; lumber/carpet/rollers/hardware extra.
Safety chain / tie-down hardware replacement	0.50	\$55	Parts extra.

Estimator note: Trailer service is mechanical/electrical service only. Structural welding, axle alignment, major frame damage and specialty brake work may require referral.

EXPANDED MOBILE SERVICE NOTE

Mobile billing foundation: \$65 dispatch/service call within the normal service area, then applicable task labor or hourly labor, plus parts/materials. Existing mileage policy still applies beyond the included dispatch radius. Heavy contamination, seized hardware, specialty lifting, machine recovery, unsafe access, proprietary software requirements and outside services are additional.
